ACADEMIC REQUIREMENTS FOR ADMISSION

Master of Arts Social Work, Social Policy, and Social Administration

The Council on Social Work Education (CSWE) and the Crown Family School's criteria for admission to the Social Work, Social Policy, and Social Administration Master's Program must include an earned baccalaureate degree from a college or university accredited by a recognized regional accrediting association. Baccalaureate social work graduates entering master's social work programs are not to repeat what has been achieved in their baccalaureate social work programs. We require an undergraduate degree in social work (BSW) for applicants to the Advanced Standing Master's Program.

It is expected that the quality of the undergraduate record will be strong enough to ensure the candidate's ability to do work at the graduate level. Ordinarily, applicants with less than a 2.8 undergraduate grade point average on a 4-point scale will not be considered without a period of successful post-bachelor's social work employment. The Graduate Record Examination is not required.

Neither the content nor the major subject of the undergraduate program is rigidly prescribed. The Social Work, Social Policy, and Social Administration Master's Program is built upon the assumption that students enter with a strong liberal arts education and a well-rounded knowledge of the social sciences obtained through study of some of the following subjects: economics, political science, sociology, history, cultural anthropology, and psychology. Because social welfare programs, private as well as public, operate within and are affected by governmental structure and economic institutions, it is especially desirable for students to have had at least an introductory course in U.S. government or history, and in economics.

Although a statistics course is not formally required for admission to the Social Work, Social Policy, and Social Administration Master's Degree Program, incoming students should be aware that it is to their advantage to have at least an introductory statistics course before entering the program. Such a course would provide valuable preparation for the Crown Family School's required research courses. At the beginning of the academic year, all incoming students are required to take a research exam. A student's score on the exam will determine the level of the first-year research course.

Enrollment in the School is limited each year, and applicants are advised that the committee on admissions selects only those applicants who, in its judgment, appear best qualified and capable of using the resources that the School provides. The committee considers all evidence that may indicate academic and professional promise. Crucial factors in the admission decision include: special distinction in undergraduate work, volunteer or work experience in the field of social welfare, letters of recommendation, the candidate's written statement, and outstanding achievements.

Transfer Students

The transfer student to the Social Work, Social Policy, and Social Administration Master's Degree Program who has completed a first-year program and a field placement (480 hours) in another accredited school of social work within the past three years is generally eligible to enter the School in the Autumn quarter and complete degree requirements in three quarters by following a regular second-year program, if the program in the other school covered the content of the first year program at the Crown Family School. Transfer applicants must apply online for admission (documents include candidate's statement, three letters of recommendation, comprehensive résumé, transcripts, and application fee). Transfer students must include with their application an addendum explaining their reason for transferring to the Crown Family School program from their current social work program. For transfer students and applicants to the Advanced Standing Program, one reference letter must be

from a current or recent practice professor or field instructor who can evaluate the applicant's performance in field placement or submit a final field evaluation. The application deadline for all transfer students is January 15.

Returning Students

Individuals wishing to return to the School after being out of residence must reapply for admission. Returning students and candidates who have applied previously must submit the following:

- *Candidate Statement:* Returning master's degree students, applicants who were admitted within the last three years but did not matriculate, or applicants who reapply will need to submit a new application online. They should also prepare another candidate statement for the admissions committee, updating the previous statement and describing interim social work education, experience, or activities.
- *Letters of Recommendation:* The student will need to submit two additional letters of recommendation.
- *Transcripts:* Transcripts should be ordered and submitted online to document any subsequent courses taken elsewhere.
- *Fee:* The student will not be charged another application fee.

Students absent from the program for five or more years will be required to repeat all coursework and internships.

Master of Arts Social Sector Leadership and Nonprofit Management

The Crown Family School's criteria for admission to the Social Sector Leadership and Nonprofit Management Master's Program must include an earned baccalaureate degree from a college or university accredited by a recognized regional accrediting association. Applicants should also have 3-5 years of experience working in a social sector organization.

It is expected that the quality of the undergraduate record will be strong enough to ensure the candidate's ability to do work at the graduate level. Ordinarily, applicants with less than a 2.8 undergraduate grade point average on a 4-point scale will not be considered without a period of successful post-bachelor's social sector or nonprofit employment. The Graduate Record Examination is not required; however, an applicant with a low undergraduate grade point average may wish to submit GRE General Test scores as a possible means of strengthening the application.

Enrollment in the School is limited each year, and applicants are advised that the committee on admissions selects only those applicants who, in its judgment, appear best qualified and capable of using the resources that the School provides. The committee considers all evidence that may indicate academic and professional promise. Crucial factors in the admission decision include: special distinction in undergraduate work, 3 to 5 years of work experience in the social sector or nonprofit field, letters of recommendation, the candidate's written statement, and outstanding achievements.

Doctoral Students

An applicant for admission to the Doctoral Program must have demonstrated potential to contribute to scholarship in the field of social work and social welfare. Judgments on applicants are based on academic records at undergraduate and graduate levels, prior research and professional experience, writing samples demonstrating analytic ability, and other evidence of superior achievement and interest in pursuing an academic appointment.

With the exception of applicants seeking admission to the combined PhD/AM Program, applicants to the PhD Program must have completed a master's degree in social work or a related field prior to beginning advanced study. Applicants without a master's degree can apply to our combined PhD/AM Program. Applicants who wish upon graduation to seek faculty positions in schools of social work are advised that the Council on Social Work Education (CSWE) requires a master's degree in social work in order to teach practice courses.

STEPS IN THE ADMISSION PROCESS

- The online application is available at <https://apply-crownschool.uchicago.edu/apply/>. Returning master's degree students, or applicants who reapply, will need to submit a new application.
- *Application fee.* Applicants pay the \$75 fee online at the time they submit the online application. This fee is not refundable.
- *Candidate Statement.* Applicants for the Master's Degree Program should submit a statement addressing the prompts provided in the online application, which include the reasons for pursuing a degree from Crown Family School at this time, professional goals, and a population or social issue important to the applicant.

Applicants to the Social Work, Social Policy, and Social Administration Program Extended Evening program (EEP) should further discuss how they will accommodate the additional demands of course and field responsibilities with their full-time employment.

Applicants re-applying to the Master's Degree Program should prepare a supplemental statement to the admissions committee updating the previous statement and describing interim social work education, experience, or activities.

Doctoral degree applicants submit a statement describing study plans, career objectives, and reasons for applying to the School. Doctoral applicants are also required to submit an academic writing sample of no more than 25 pages. Instructions for writing these statements are provided in the online application.

- *Transcripts.* Transcripts are required from every institution where an applicant has taken three or more courses—unless these courses and grades appear on the home institution transcript; this includes courses taken Pass/Fail. Applicants may submit unofficial transcripts only if they are accompanied by institutional grading and credit system information, which are most commonly found on the reverse side of paper transcripts. If your institution does not provide digitized transcripts, applicants may upload scanned paper transcripts to the online application. Please make sure to include the reverse side with the grading and credit system information. Alternatively, applicants may send paper transcripts to 969 E. 60th St., Chicago, IL 60637. If college work is incomplete at the time of application, a final transcript must be sent when final grades and degree conferral have been recorded. Students who have completed or will be completing their undergraduate education at an institution outside the United States are expected to have a baccalaureate-level degree or its equivalent and to have completed social work training in the home country and/or to have had work experience in a social service agency before applying for admission to the Master's Program. Returning students and candidates who have applied previously should order transcripts of any subsequent courses taken elsewhere.
- *References.* The Social Work, Social Policy, and Social Administration AM program requires three (3) letters of reference, two of which should address your academic ability. References should be qualified to discuss your aptitude for both graduate study and social work. No more than four letters of recommendation may be submitted. Applicants who have graduated within the last five years are encouraged to submit at least two academic references. Professional and academic references are strongly encouraged. Applicants who are or who have recently been employed should include at least one reference from an employment supervisor.

The Social Sector Leadership and Nonprofit Management AM program requires two (2) letters of reference. Professional and academic references are strongly encouraged.

The PhD and AM/PhD programs require four (4) letters of reference. We especially value letters from former professors or academic advisors. References should be qualified to speak regarding your ability for graduate study, preferably those familiar with your academic ability or research skills.

- **GRE scores. Not required for Autumn 2022 admissions cycle.**
- Note to graduates of the University of Puerto Rico: Because the language of instruction is not English, graduates of the University of Puerto Rico will be required to take an English examination.
- **Financial aid.** The Crown Family School offers full and partial tuition scholarships. Applicants applying for financial aid from the University must answer all financial aid questions on the online application. Applicants who are applying for student loans must file both a Free Application for Federal Student Aid (FAFSA) (<https://studentaid.gov/h/apply-for-aid/fafsa/>), and also the University's Application for Loans and Federal Assistance at <http://financialaid.uchicago.edu/graduate> (<https://financialaid.uchicago.edu/graduate/>).
- **Admission deposit.** Applicants who are admitted to the School must confirm their acceptance by submitting both an acceptance form and a non-refundable deposit to reserve their place in the School. This sum is credited toward Autumn quarter tuition or Summer quarter for Advanced Standing students.

Additional Information for International Applicants

International applicants, whether attending a U.S. undergraduate institution or a college or university in their own country, follow the application procedures outlined above and the following:

- **Application fee.** The \$75.00 application fee must be paid in U.S. currency, by bank draft or postal money order. Personal checks are acceptable only if written on a U.S. bank. This fee is an official requirement for admission, and international governments will approve the release of funds for this purpose.
- **Transcripts.** Students who have completed or will be completing their undergraduate education at an institution outside the United States are expected to have a baccalaureate-level degree or its equivalent and to have completed social work training in the home country and/or to have had work experience in a social service agency before applying for admission to the Master's Program. Exceptions are occasionally made when the individual is currently completing undergraduate education in the United States.

International academic credentials, including courses taken, grades received, and degrees granted, should be sent directly to the School with the application. If this is not possible, copies in the applicant's possession may be acceptable if they have been certified by the proper school authorities. Applicants may not validate their own documents. The class or division of the degree must be stated if this is the customary method of reporting the quality of academic work. If the Admissions office is unable to complete a degree verification based on the documentation submitted, the Admissions office reserves the right to require a credential evaluation by an approved outside agency.

- **English Proficiency.** Applications to the graduate schools and divisions of the University of Chicago who do not meet the criteria below must submit proof of English language proficiency. This policy applies to all graduate programs; the score level required for admission varies by program. Only the TOEFL iBT or IELTS Academic tests are accepted as proof of proficiency.

Waiver Criteria: English has been a primary language of communication and schooling for you since childhood; or

You were enrolled for a least one academic year in full-time status in a course of study at an accredited English-medium post-secondary institution in one of the following countries or territories within the past ten years: Antigua and Barbuda, Australia, Bahamas, Barbados, Canada, Dominica, Grenada, Guyana, Hong Kong, Ireland, Jamaica, New Zealand, Saint Kitts and Nevis, Saint Lucia, Saint Vincent and the Grenadines, Singapore, South Africa, Trinidad and Tobago, the United Kingdom, the United States.

Education in English-medium institutions in other countries or territories does not qualify for the exemption.

The minimum required score for the TOEFL is 104 overall (IBT) with a sub-score of 26 in each category. The minimum required score for the IELTS is 7 overall, with sub-scores of 7 in each category. Check the TOEFL and IELTS sites for more information about the test. The results of the test will be sent to the University by the Testing Service. Applications will not be given final consideration until the results of the test have been received. The University of Chicago Institutional Code for TOEFL is 1832; the department code for the Crown Family School is 95.

Note to graduates of the University of Puerto Rico: Because the language of instruction is not English, graduates of the University of Puerto Rico will be required to take an English examination.

- **Financial plan.** International applicants, once admitted, must submit a financial statement, itemizing sources of funds for maintenance and transportation, and must provide documented proof (certification by a bank or subsidizing agency or agent) of resources sufficient for their support during the two years. It is estimated that educational and living expenses, exclusive of travel to and from the student's home country,

will be approximately \$80,541 for one year of study. International applicants to the Master's Program will receive only nominal University gift aid. International applicants to the Doctoral Program are eligible for full University funding identical to their U.S. peers.

- Applicants who need financial assistance are advised to explore possibilities in their home country and from U.S. government sources. Information about the latter may often be obtained from a U.S. consulate or information service office. The Institute of International Education also provides information about scholarship opportunities at <http://www.iie.org>.
